SCHOOL PROFILE

Step to Success Nursery and Primary School is a well established school with over 7 years of history. Formally called Dayspring Montessori Pre-school. The school is situated at 4, Bola Adekoya close Awoyaya Lagos state and caters for playgroup to year 6 students.

At Step to Success Nursery and Primary School, we believe God has given us what it takes to provide an excellent learning environment that promotes individual achievement and success.

Our experienced and dedicated team knows each and every student personally and therefore able to cater each individual child's learning needs. Within each classroom, ration is often 1 adult to 6 pupils.

SCHOOL ORGANOGRAM

EDUCATIONAL PROGRAM

At Step to success, we endeavour to provide a safe, tolerant and disciplined environment that allows all pupils the opportunity to learn and develop the skills required for a new century.

METHODOLOGY

As a school community we provide a learning program which fully develops each individual Talent and interest so that they all reach their full potential. The development of the children at Step to Success Nursery and Primary School is not just about success in the classroom. We ensure development and furthering the mutual respect for all the children irrespective of ability race, gender, culture or religious differences.

OUR SERVICES

The Crèche

We provide full day care for children from 0 - 18 months in safe, secure and stimulating environment. We are open from 7:00 a.m. till 5:00 p.m. from Mondays to Fridays and during school holidays. Our Crèche is designed to provide a warm, cosy atmosphere for babies. It is suitably equipped with a variety of age appropriate toys designed for sensory, stimulation, Discovery and play. We provide each baby with endless opportunities to explore and develop in a safe and comfortable environment. Our daily routine in the Crèche is personalized according to the individual needs of each child.

EARLY YEARS FOUNDATION STAGE

The Preschool children are encouraged at all times to progress in their physical and mental development by ensuring their play and learning materials include sensory, physical, and musical stimulation. In addition the importance of fresh air and exercise to children's general well-being is considered on a daily basis. We ensure that a friendly atmosphere of learning warmth and care is transmitted to our parents by communicating each child's progress to them regularly.

Our program is child centre and based on the belief that play is the way for children to learn. The learning approach is individualized to meet the child's needs and interests.

Our Child stimulating classrooms are well equipped and carefully organised and enriched to enhance children's learning, complimenting the wide range of play and creative activities within which they participate.

ELEMENTARY CLASSES

Every child at this stage is expected to be in school between 7:30 - 8:00am. As we start our day with early morning drilling which helps us prepare and ready for each day's work. The children are engaged to develop their thinking skill.

We adopt different approach to teaching to suit the children and we ensure effective learning takes place considering the different learning abilities; visual, audio-visual and kinaesthetic learner.

CURRICULUM

Our school implements the Nigerian curriculum and British curriculum alongside Maria Montessori method of teaching.

The school curriculum provides young learners with a solid educational learning Foundation through careful planning instruction or goals and objectives. Step to Success Nursery and Primary School curriculum is well blended and relevant to Nigerians environment or culture and we have ensured continuity and flow through all the year levels. All the educators at Step to Success Nursery and Primary School concentrate on not only what the children will learn but how they learn. The curriculum entails an integrated approach which emphasizes the activity learning process and will encourage corporate learning problem solving and decision-making on the part of the children.

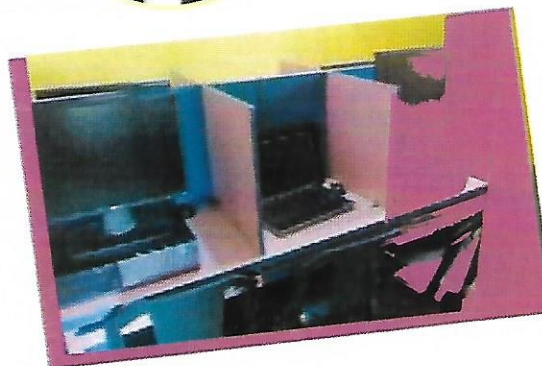

Communication, Language and Literacy: including language for communication, language for thinking, sound letters, reading, writing and handwriting.

Mathematical Development: numbers as label and for counting, calculating shape, space and measure.
